

# COLLEGE PREP

**More students will graduate high school and apply for college through 2010 than any other time in history. The competition for college acceptance and scholarship continues to put pressure on high school students to stand out. To meet your student's changing needs and prepare him/her to be ahead of the rest, Sylvan Learning has created an entire line of college prep courses that can be custom designed to fit your student's needs. You will find the College Prep Courses outlined below; a Sylvan Learning education expert will help you design the program that is right for your student.**

## ACT/SAT Practice Test

Practice makes perfect! Taking a practice test will help prepare your student for the actual day of the test. Following the ACT or SAT practice test, you will receive a detailed score report highlighting your student's strengths and specific areas of opportunity. You will also receive an analysis of the score report from one of our educational experts, and the cost of the test can be applied toward ACT/SAT Prep if that is the best next step for your student!

*Practice Test Cost: \$50*

## ACT Prep/SAT Prep

A must for students who are preparing for college or college entrance examinations! This program provides strategies in math, verbal reasoning, and critical thinking skills for ACT/SAT success. This 24-hour program focuses on effective test taking strategies and content review. Also included are two FREE practice tests with a detailed score report for each.

*Program Cost: \$695*

## Getting into College
