

# *A Taste of Sylvan*

## Sylvan Learning Center in San Bruno

At Sylvan Learning Center, our students and their academic progress are our highest priority. Sylvan is proud of our record of helping more than a million students and families over the last 30 years. At Sylvan, students improve their skills, become more motivated and gain greater self-confidence.

To introduce your family to Sylvan, we'd like to offer you our Taste of Sylvan Special:

- **Motivation** – let Sylvan motivate your child in 8 sessions
- **Includes Sylvan Skills Assessment(s)** – comprehensive evaluation pinpoints exact skills your child needs for academic success
- **Individualized Attention** – personalized tutoring plan
- **Trained and Qualified Teachers** – often teachers from local schools
- **Importance of Partnership** – with your permission, we will contact your child's teacher at school
- **Catch up, keep up or get ahead** - Sylvan provides the skills and tools to help your child succeed in school... and in life.
- **Reading, Math, Writing, Study Skills, and more!**

In one month, Sylvan will introduce you to what millions of Sylvan families already know – we keep your child engaged and eager to keep learning. Call today and see why more parents turn to Sylvan than to any other tutor.
