Free In-School Seminars

Sylvan is pleased to offer helpful tips for parents in our FREE SEMINARS delivered at your school. Our 45-minute seminars are fun, informative, and include helpful handouts for parents, grandparents and guardians. Call today to reserve your time!

Forgotten Math for Parents

- When's the last time you had to add fractions or do a percentage problem? This interactive seminar will help you overcome your math fears - so homework time with your child isn't quite so scary.

Study Tips for Success

- Does your child have good study skills? Learn how to help your child be more organized, and learn Note-Taking and Test-Taking skills. This seminar will be tailored to the grade levels represented in the audience.

The Write Stuff

- Will your child have the Write Stuff? Good writing skills become more and more important everyday, from papers in school to the ACT. Help your child become a good writer.
